Working Equitation Clinic with Polly Limond!

August 7, 2020

Murieta Equestrian Center, Rancho Murieta

Polly has been a dressage rider, trainer, breeder, and importer in the San Diego CA area for over 35 years. Since 2004 she has been selecting and importing sport horses from Germany for clients and for resale, and in 2018 started importing from Portugal and Spain as well. Specializing in smaller size horses and sport ponies for dressage, she imported the Deutches Reitpony stallion Lateran in 2004,

who she competed through PSG and bred for 5 years, then sold to a para rider who competed on him at the 2010 World Equestrian Games in Kentucky. Polly bred 5 premium foals, including 2 stallion prospects, all of which were sold in-utero. She is currently showing her imported Lusitano gelding Ikaros da Lusitania in Working Equitation.

Polly is a USDF Bronze and Silver medalist, and Silver Freestyle medalist. Having trained several horses successfully through Intermediare, she has won Regional and National Championships on self-trained horses and coached several students to

regional and RAAC championships and lifetime rider medals.

Polly earned her WE United Bronze Medal in 2017, and her Silver Medal in 2019. In 2017 she finished in the top ten regionally on 3 different horses at 2 levels with consistent scores up to 71%. She placed 3rd in the Novice A level at the 2017 WE United National Championship show and was a member of the Gold medal winning team at that same show. In 2018 and 2019 she competed two horses through Intermediate B with scores up to 80% and finished in the Region 2 Top Ten.

Polly holds an S judge card with WE United and is a USDF L graduate with distinction since 2007. She has judged countless WE shows across the USA and Canada, local schooling shows in dressage, eventing dressage, western dressage, and obstacle challenges. She is a sought-after clinician.

Since becoming involved with WE in 2016, Polly has worked with several San Diego area stable managers to plan and market WE United events across the county. She served on the WE United Board of Directors for four years as 2017 Region 2 Director, 2018 President Elect, 2019 President and 2020 Past President. In April 2019, she organized and facilitated the 2019 US Licensed Officials Seminar in San Diego, CA with over 40 participants. This was, to date, the most successful seminar of its type in North America. She has served as ex-officio member of the Licensed Officials Committee, co-chair of the very successful 2019 WE United North American Championship Show Committee and was a member of the committee that developed the 2019 WE United Judge Training Program. She is currently serving on the WE Merger Board of Directors and the Merger Licensed Officials Committee to help facilitate the merger of WE United and the Confederation for Working Equitation.
